**Junior Programs:**

All programs begin on September 5, 2017

**10 & Under (Ages 5 – 10)**

Uses kid-sized courts and kid sized equipment. Balls bounce lower, don't move as fast through the air and are easier to hit. Kids' tennis racquets are sized for small hands, and courts are smaller and easier to cover. By using this format, children see immediate success. Their enthusiasm for the sport will build as they learn to rally and play live ball games.

**Advancer**

Emphasis on stroke production based on extensive and repetitive drill programs designed to intensify as the student's game progresses. Player must be able to hit from the baseline.

**Tournament Training**

Concentration on stroke production refinement though the correct use of spins, advanced footwork drills and increased conditioning with a compliment of 30 mins of coached match play. (Match Play portion only included in Tuesday 4:30-6:30PM Program)

**High Performance 5:1 Tennis Academy**

**By approval only.** Specifically geared to the elite player to raise the student's game to its fullest potential.

**Tournament Training Drill & Play**

Newly developed program combines the best of both worlds.

Our drill portion will consist of footwork and constant movement with advanced techniques making our players tournament tough. Players will be able to apply what they have learned in the group in our match play portion of our program using a unique team tennis format. Your child will get singles as well as doubles experience. Players will be coached on court by our tennis professionals. 1.5 Hours of drilling, 1 hour of Match play.

**Match Tough**

Match tough is our new in-house, non-sanctioned weekly tournament that we will be hosting every Sunday to offer match play practice. This is a perfect opportunity for your child to get supervised match play experience in a tournament environment. A variety of tournament formats will be used to calculate each weeks winner. Winners get a free entry into the following Sunday tournament. Matches will include a blend of singles and doubles. All ages and levels are welcome, but must be approved by Junior Director, Chris Clayton. Please sign up with the front desk to guarantee your child's spot as they are limited. Every Sunday from 2PM – 4PM, Price: \$34 Per Session.
